1. GOVERNANCE AND FINANCIAL POLICIES

Pinnacle Canyon Academy was established in 1999 as one of the eight founding charter schools in the State of Utah. Also referred to as Pinnacle Schools, the school divides students grades K-5 in Pinnacle Canyon Academy, students grades 6-8 in Pinnacle Middle School and students grades 9-12 in Pinnacle High School. The Pinnacle Code simplifies the name issue and uses “Pinnacle” to describe the school.

1.1 SCHOOL MISSION STATEMENT

BOARD APPROVED: May 2020

With the central focus on supporting students and their families, in August 2020 Pinnacle adopted the theme: *Pinnacle--We are Family*. Pinnacle’s mission statement continues to emphasize that theme: *“Pinnacle Family—Paving the Panther PATH. P = Pride, A = Achievement, T = Technology, H = Heart.”*

1.2 PINNACLE SCHOOLS GOALS

BOARD APPROVED: 8/26/2025

School goals will be reviewed and revised as necessary. Pinnacle school goals are:

1. Pinnacle will make our students producers, not consumers by teaching/modeling that the technology devices are tools, not toys.
2. Pinnacle will develop more efficient vertical teaming with clearly defined roles and more productive meetings.
3. Pinnacle will foster student responsibility by increasing accountability, helping students to plan ahead and teaching students basic life skills.
4. Pinnacle will reduce incidents of bullying and disrespect and will promote character education instruction.
5. Pinnacle will coordinate communication staff wide at least monthly.
6. Pinnacle will increase grade level reading and math skills by 20%.

1.3 PINNACLE BOARD OF DIRECTORS

BOARD APPROVED: October 2024

The Pinnacle Board of Directors is a five to seven member, policy-making board that works closely with onsite school administration in deciding and implementing policy while supporting administration in the operation of the school.

A Pinnacle Board of Directors Member will be a responsible, committed parent, or member of the community who will commit to serve on the school board for a two-year term (with an option to continue serving on the board beyond the initial two-year term). Board members will work closely with school administration, teachers, staff and parents in maintaining the credibility and viability of Pinnacle. Board members will make decisions on school policies, finance/budget issues, strategic and long-term planning for the future, personnel issues as needed and any other pertinent issues.

The Board of Directors will consist of a majority of parent board members although the last two members could optimally be external community leaders. Board members attend board meetings held at least quarterly and other meetings as necessary. Board members shall exhibit good judgment with regards to making objective decisions regarding policy, budgets and personnel as well as maintaining confidentiality with regards to privileged information. Business experience and financial knowledge would be an advantage to the board members, but is not required. Anyone interested in applying to the school board shall contact the school office. Board nominations will be made by current members from the Board of Directors and those nominations will go to a parental vote at the earliest possible time when current board members' terms are coming up for replacement or recommitment. If the number of applications is the same number or less than the number of openings, then the board may vote to approve the applicant to become a board member without a parental vote. A letter from Utah's Attorney General's Office, dated October 14, 2005, and signed by John McCallister, stated that a charter school's board members cannot also be an employee or teacher of the same school.

Voting: In order for the board to take action (vote) on an item, a quorum of $\frac{3}{4}$ of the board must be present. All board members have voting privileges; however, the Board President will only vote in the event of a tie. During Executive Session meetings, the board president and secretary will have voting rights where staff members are not present.

Removal of a Board Member: In some instances, a conflict of interest, unethical behavior, or consistent counterproductive behavior may necessitate the removal of a board member from the Board of Directors. The following strategies may be used to remove troublesome board members:

Personal Intervention. A one-on-one intervention by the Board President or the Chief Administrative Officer can be scheduled to meet informally with the board member in question. This meeting shall attempt to resolve conflicts or issues and if no resolution occurs, then a request for the board member's resignation can be made.

Impeachment. If resolution is not possible and the board member does not resign, then an impeachment meeting may be called. Any board member may be removed at any time, with or without cause, by a two-thirds majority vote of current board members. Votes will be cast at a meeting of the board called for that specific purpose.

Attendance. Attendance at board meetings is **mandatory** and a board member may be immediately removed from the board if two consecutive board meetings are missed without prior notification to the Board President or the CAO.

Term Limits. Each board member's term shall be two years (with the exception of the CAO who will serve continually), with the option of staying on the board longer. The secretary to the board is a volunteer position whose term will be reviewed annually.

Leave of Absence. This allowance would make it possible for a board member to take a leave of absence from the board if they have health, work or other reasons why they cannot participate fully during their current term. A replacement board member will be recruited and/or appointed to finish the board member's term. Reapplication for board membership will be addressed by the Board President and the CAO and considered on a case-by-case basis.

Replacing the Chief Administrative Officer. When the need to replace CAO arises, the Board of Directors will form a search committee to draft a list of the current job responsibilities and requirements needed for the applicants. The Board of Directors will open the application process in house and to the public. The Board of Directors will work closely with the current CAO in compiling a comprehensive listing of job responsibilities and qualifications needed. Ideally, the time frame to complete this replacement process would be two to three months. A majority vote of the Board of Directors would be needed to offer the chosen applicant the CAO contract. The CAO's contract would be for the duration of one year consistent with other contract positions.

School Community Councils and Charter Trust Land Councils: The board of directors will serve as the Trust Land Community Council. (Board Approved 6/2021)

The Rules of Order and Procedures for the School Community Council and Charter Trust Land Council (as required 53G-7-1203(9)) are posted on the school's website: www.pcaschool.com.

B. LEA Procurement Thresholds

The LEA's procurement policy shall be followed for all qualifying purchases of goods or services. The procurement policy shall include the basic items:

1. Small Purchases

- a. The "individual procurement threshold" for the LEA is \$1,000. This is the maximum amount that the LEA can expend to obtain a single item/service from one vendor at one time without requiring competitive purchasing (Utah Code 63G-6a-408, Administrative Code R33-4).
- b. The "single procurement aggregate threshold" for the LEA is \$5,000. This is the maximum amount that the LEA can expend to obtain any combination of individual procurement items/services costing less than \$1,001 from one vendor at one time up to \$5,000. (Utah Code 63G-6a-408, Administrative Code R33-4).
- c. The "annual cumulative threshold" for the LEA is \$50,000. This is the maximum total annual amount that the LEA can expend to obtain individual procurement item(s) costing less than \$1,001 purchased from the same vendor during the fiscal year (July 1 – June 30) not to exceed \$50,000. If a purchase exceeds \$50,000, it is not considered a small purchase and shall be processed through a bidding process or a request for proposal (RFP) process (Utah Code 63G-6a-408 and Administrative Code R33-4).
- d. Professional services, such as architectural, engineering, accounting, legal, or consulting services costing less than \$50,001 may be awarded by direct negotiation after the LEA has reviewed the qualifications of at least two professional service providers. Services costing \$50,001 - \$100,000 shall be acquired by obtaining a minimum of two quotes. Services costing greater than \$100,000 shall be

obtained using a competitive bidding or RFP process. The threshold for utilizing an approved vendor list for professional services is \$100,000. A vendor is selected from a prequalification of potential bidders and approved potential vendor list created using an invitation for bids or an RFP under provisions in Utah Code 63G-6a-403 and 404 (Administrative Code R33-4).

e. Small construction projects:

- (1) Costing less than \$25,001 may be procured by direct award without seeking competitive bids or quotes after documenting that all applicable building code approvals, licensing requirements, permitting and other construction related requirements are met.
- (2) Costing between \$25,001 and \$80,000 may be procured by obtaining a minimum of two (2) competitive bids or quotes that include minimum specifications and be awarded to the contractor with the lowest bid or quote that meets the specification after documenting that the requirements are met from (1).
- (3) Costing more than \$80,000 are not considered small construction projects and must follow the requirements outlined in Utah Code 53A-20.

2. Recurring Purchase Over Annual Cumulative Threshold

- a. If purchases from the same vendor are ongoing, continuous, and regularly scheduled, and exceed the annual cumulative threshold of \$50,000 during the fiscal year, a contract shall be utilized if feasible [Utah Code 63G-6a-408(6)].

3. Artificially dividing a purchase

- a. Utah Code 63G-6a-408 makes it unlawful to intentionally divide a procurement purchase into one or more smaller purchases to divide an invoice or purchase order into two or more invoices or purchase orders, or to make smaller purchases over a period of time.

(1) This means that intentionally splitting a purchase of similar items that would typically be purchased at the same time from the same vendor to avoid requiring competitive quotes is unlawful (.e.g., uniforms, club or athletic equipment, textbook orders, etc.). This includes dividing the purchases or invoices over a short period of time, or making separate purchases over a period of time. Purchase splitting often occurs when making purchases on a purchase card.

Employees shall not split invoices to stay under daily purchase limits on purchase cards or the established purchasing Thresholds.

- (2) It may be determined after an order is placed or received that a large enough quantity was not ordered or the correct sizes were not obtained, and that additional items must be ordered. If this occurs, the employee initiating the purchase must include a written explanation of the purpose of the purchase and justification as to why it is not considered splitting a purchase. This shall be retained with the vendor invoice.
- (3) Penalties for violating this statute are outlined in Utah Code 63G-6a-408. Penalties range from a class B misdemeanor to a second degree felony, depending on the total value of the divided procurements.

2. *If the total purchase is between:*
 - a. **\$0-\$1,000**
The purchaser may select the best source without seeking competitive quotes. The signature of the requestor and immediate supervisor (or authorized business officer for department or administration) are required on the purchase order or check request form. If the purchase is made using an LEA credit/purchase card, the employee shall follow the credit/purchase card policy below.
 - b. **\$1,001-\$5,000**
The purchaser shall obtain at least two (2) competitive quotes and purchase item/service from the supplier offering the lowest quote meeting specifications. Quotes must be attached to the purchase documentation and maintained as part of the LEA’s records. The signature of requestor, immediate

supervisor (or authorized business officer for the department), and business administrator are required on the purchase order or check request form.
