APPROVED FOR COMMUNITY ELIGIBILITY PROVISION - CEP

Dear Parent or Guardian,

We are pleased to inform you **Pinnacle Canyon Academy** has been approved to participate in Community Eligibility Provision (CEP) Beginning **September 6, 2022**, all children attending Pinnacle Canyon Academy will receive meals free of charge regardless of income or household size. Schools qualifying to operate CEP provide breakfast and lunch to all children at no charge and eliminate the collection of meal applications for free, reduced-price, and paid student meals. This new approach reduces burdens for both families and school administrators and helps ensure that students receive nutritious meals. This is in accordance with a special provision under the United States Department of Agriculture (USDA) Food and Nutrition Service.

Please note that only students at the schools listed will receive free meals without an application. If you have students that attend a school that is not listed, an application will need to be filled out to receive free or reduced-price meals. Please check with those schools for application instructions.

Please contact **Ashley Downard** at **435-613-8102** for further information.

Sincerely,

Ashley Downard | Child Nutrition Director
